Re: Cancellation of Member No.: [REDACTED]

Dear [REDACTED]

We have received a request for cancellation of the above-referenced Shell Vacations Club contract. In order to proceed with the cancellation of this contract, we need you to sign and date the enclosed irrevocable assignment in the presence of a notary public. This document will return your membership points to Shell. Once the document is executed and notarized, please send it, along with the Point Certificate(s) from Chicago Title Company, to the following address:

Attn: [REDACTED]
Shell Vacations Club

Be advised that your account status will remain unchanged until the required documents are received.

Upon receipt of all required documents, the membership will be noted as cancelled, and there will be no further obligations to your membership. If you do not have the Point Certificate, please advise us of that fact when returning the executed and notarized irrevocable assignment.

If you have any questions or concerns, please call [REDACTED]

Very truly yours,
